

AUGUST 2020

# LULU AND MAX NEWSLETTER

*Welcome back to Term 3*

## WINTER IS ALMOST OVER

### TERM 3 IS FLYING BY!!

Kia Ora and welcome to our first newsletter since May. Term 2 flew by and term 3 is doing the same thing!

Our after school care programmes have been super busy with loads of awesome activities in both Hastings and Twyford and we're opening a new centre in Waipawa, which is super exciting!

The July holiday programme was a lot of fun and we had lots of positive feedback. The Matariki celebrations were a hit, our kids loved the hangi they prepared and cooked and the fry bread in particular was a definite favourite, the recipe is on our FB page and our website.

COVID has made a return in our beautiful country, but rest assured we will be doing our bit to keep everyone safe. An email was sent on the 11th August outlining this.

On page 2 of this newsletter Nard and Sabrina will share a little bit about whats happening in each centre and if you want regular updates follow our FB page.

Thank you for your continued support. Tess x

### More updates and announcements:

#### TERM 3 - UPDATES

- Waipawa centre under development

- Julia has left and Sarah and Charliot have joined our team.

- Our website has been updated with lots of new information

-

# A WORD FROM OUR PROGRAMME MANAGERS

*From Nard and The Twyford Team*

Twyford is full ☐

Full of laughter

Full of fun

And full of children!

We have been enjoying the sunshine and hanging outside playing alot of soccer and rugby.

We have added abit of kapa Haka to our programme and the kids seem to be liking it - learning the vowels and pronunciation its definitely boosting their confidence which is so cool!

Some toys from home have been coming into after school care we ask that the toys stay home as it's been causing a few problems amongst the children.

We are trying to use natural materials as much as we can with our activities so if parents have any cardboard please drop it in and leave with us. We will greatly appreciate it!

*From Sabrina and The Hastings Team*

This term has started off great. We have welcomed some new families to our Lulu and Max whānau. Our regular kids are always so awesome at making our new kids feel at home.

The sewing machines have been pulled out and the kids are loving learning a new skill, challenging themselves and earning their sewing licence. Once they have mastered the basics we will be making scrunches and sleepmasks, so keep an eye out for those coming home over the next few weeks.

Our veggie gardens are going strong despite the cold weather and replanting. The carrot seeds we planted before lockdown were finally ready to be harvested and our worms are working hard to give our plants nutrients.

Caramilk and Dairymilk are being doted over every day and are now so settled in their new home with us. It's lovely seeing them come out to greet us when we arrive. I'm sure they're going to enjoy our fresh carrots this week.
